OLYMPIA GROUP QUARTERLY NEWSLETTER

MD Speaks

Dear Patrons,

It has been another eventful quarter at Olympia right from partnering with fabulous people who have touched many lives across the world like John Gray, Jack Canfield to large construction firm MBE to take forward our REFLECTION project on East Coast Road to winning awards and recognition from the best in business.

At Olympia Opaline, we are happy to add more families. The handover is in progress currently for Amber and Aquamarine Block. The Club Opal was a welcome retreat for all the residents and more so for the kids living at Olympia Opaline with the summer being a killer of spirits!

Olympia Panache was a special project for us with emphasis on creating Chennai's first true global luxury villa community with all the amenities. The first instance of others agreeing with our view came with the project being successfully marketed and now with the recently concluded International Property Awards at Malaysia where Panache won among many other competitors to be awarded the HIGHLY COMMENDED PROJECT in Single Villa development. It is truly an honour!!

Olympia Group is also proud to continue its association with Sankara Nethralaya by funding the new block as part of our CSR initiative. Olympia is and always will be associated with sustainable practices and initiatives. We have worked on an extensive "Waste Segregation" programme for Olympia Opaline when implemented successfully it shall be replicated at all our other sites. Our Olympia Grande project at Pallavaram is progressing as per schedule and the superstructure can be seen now with couple of blocks having all Eleven floors completed.

We have the preferential offer for 'Opaline Sequel' currently on and would like you, your relatives and friends to capitalize on the special rates !!

Please send in your feedback / suggestions at CRM@Olympiagroup.in - your inputs are very valuable to us!

Best Wishes
